

ORANGE MATE CLUB SANKOEN

オレンジメイト倶楽部 三幸園

The original farming method, "Kaguyahime Mikan", sprinkles the powder of bamboo to grow trees.

"Juice regular service" delivers the most delicious mandarin oranges to you from Ehime monthly.

Accompanying the journey, bring "frozen mandarin oranges" and train lunch together. Bring "frozen mandarin oranges" frozen at home to the children's class trip and the sports day.

Kaguyahime Mikan

- Special original farming method to nurture a mandarin orange tree resistant to pest by using the powder of bamboo.
- Distinguishing "Mellowness"! It has exquisite balance of not too strong "sourness" and "sweetness".
- "Sherbet sweets" for children that is made of whole oranges.

Juice regular service

- Monthly delivery of seasonally delicious "mandarin orange juice" from Ehime.
- Full-bodied richness, a feel of refreshing drinking, enjoy a taste of mandarin orange itself.
- Please try it and check the difference of taste between this and a convenience store's.

Frozen mandarin oranges

- Ideal as a dessert after a meal! Sweets that quickly supply vitamins and is easy to eat.
- Ideal as a snack in summer! Get from the freezer and pass a snack to children as is.
- After taking the hot spa slowly, get the chilly "oranges sherbet".
